TELL THE STORY

Discover your story in the middle of God's story

WINTER RETREAT | MARCH 11-13, 2022

DOUBLING GAP RETREAT CENTER

THE WEEKEND

Many young people today are captured by stories. We consume stories in the form of movies, video games, social media posts, and books. Today's students aren't satisfied to only watch someone else's story - they want to be the ones telling a story, shaping culture, and creating the future. This weekend we are going to dive into the big story of God, how to find our story in the middle of what God is doing, and even sharpen our own story-telling skills.

Pastor David Layser will be joining us as our main speaker for the weekend. He is a gifted musician, author, storyteller, and Senior Pastor. Stephanie Thorn, Andy Norris, and friends will be leading worship.
