

**GUARD
YOUR
HEART**

10 "At that time many will *fall away* and will *betray* one another and *hate* one another.

Matthew 24:10–12

**11 “Many false prophets will
arise and will mislead many.**

Matthew 24:10–12

12 "Because *lawlessness* is increased, *most* *people's love will grow cold.*

Matthew 24:10–12

23 Watch over your heart with
all diligence, For from it *flow* the
springs of life.

Proverbs 4:23

The best way to guard
our heart is to keep it
clear of offense.

Unless we heal the hurt
caused by offenses
anger will fester in our
heart
and roots of bitterness
will thrive

What comes through our
root ends up in our fruit.

15 See to it that no one comes
short of the grace of God; that
no *root of bitterness* springing
up causes trouble, and *by it*
many be defiled

Hebrews 12:15

The grace of God is
not just for receiving
His forgiveness, but
also for granting His
fore - give - ness.

35 "My heavenly Father will also do the same to you, if each of you does not ***forgive his brother from your heart.***"

Matthew 18:35

When Jesus calls us to
do the impossible, it
means His grace is
especially available to give
us the power to do it.

You cannot make your
Heart feel anything, but
you can Heal it so it
functions as God
created it.

Our new Heart can
forgive anything.

COMMUNION

Treat an offense the
same as you would a
physical wound.

Time will not heal it.

Grieve an offense the
same way you would
losing something that
you've loved.

If your Heart is still
feeling pain, that's a
good sign.
